ADOPT-A- Family

A Holiday Giving Opportunity

Throughout the year, Community Hospice & Health Services walks alongside families facing serious illness, end-of-life, and grief. For families with limited resources, the holidays can be especially difficult.

Our Adopt-A-Family Program connects generous individuals, families, and organizations with families in need, helping bring a little extra holiday joy, comfort, and cheer to their season.

Each family has completed a wish list designed to share what their needs and desires are. Detailed information about your family will be provided the week before Thanksgiving.
